

Digital User Acceptable Use Policy: Student Contract

Policy:

1. The aim and purpose of our digital connection is educational. The school network and internet is there to support classwork and research.
2. Access to the school network and internet is a privilege and continued use depends on respect for the rules of the school and care of the equipment. This applies to your own device when used on the school site.
3. All individual users are responsible for legal, financial and other obligations resulting from their use of the Internet.
4. Users at all times will identify themselves and not misrepresent themselves.
5. Users will at all times respect the privacy and copyright of others. This means that the work of others must be fully acknowledged; files belonging to other users may be copied only with their permission; users may read their own mail only; passwords and personal details must not be disclosed.
6. Email messages must be courteous and respect the privacy and dignity of others. No spam emails.
7. Users may not access or distribute material that may be offensive to members of the school community.
8. The school may at any time terminate or suspend or limit Internet access.
9. Pukekohe High School reserves the right to review and modify the policy at any time.

Contract:

This contract applies to my use of school computers and personal devices when connected to the school's wireless. I have read the school policy and agree to abide by the letter and spirit of the policy. I understand that I am a representative of the school and shall always act in the best interests of the school when using the Internet. I shall surf only the areas relevant to specific educational purposes. If I find myself in inappropriate locations I shall immediately return to the Homepage or inform the teacher. If I fail to do this I understand I may lose the use of the Internet for a specified time.
